The Badlands Pro Pant is the most complete long-distance adventure travel pant available. Now redesigned with improvements across the board, with more optimized fabric layouts, more ventilation, more functional storage, better fit and more mobility. Durable Superfabric® ceramic print overlays and Cordura® fabrics handle abrasion, while inner panels that experience less wear are lightened for reduced bulk. Custom KLIM D3O® Aero Pro pads offer best-in-class impact coverage. Badlands Pro – the most trusted name in ADV.
